PROFILE

Customer success manager with five years in B2B software. I look after mid-market merchants on a payments platform, from onboarding to renewal, and I like turning product data into conversations customers find useful.

EXPERIENCE

Customer Success Manager

Mar 2022 - present

Ledgerline (payments platform for retailers)

- Own a book of 45 mid-market accounts (about £2.1m ARR); 96% gross revenue retention in 2025
- Run quarterly business reviews with finance directors, using usage and settlement data
- Led 30 onboarding projects, cutting time to first transaction from 21 to 12 days
- Set up the team's NPS survey in HubSpot and a monthly 'detractor call-back' routine
- Daily HubSpot and Gainsight; build renewal forecasts in Google Sheets

Account Manager

Jun 2020 - Feb 2022

Brightpath HR Software

- Managed renewals and upsells for 70 small-business customers
- Wrote 25 help-centre articles and customer onboarding emails
