PROFILE

Maths teacher for five years, now retrained in data analytics. I've used data to track pupil progress for years and want to do it full time.

EXPERIENCE

Data Analytics Bootcamp (full time, 16 weeks)

Mar 2026 - Jun 2026

Northcode Academy

- Capstone: analysed 3 years of school attendance data in SQL and Tableau
- Weekly SQL exercises (joins, window functions) and Excel modelling
- Intro Python module (pandas basics)

Maths Teacher

2020 - 2026

Valley Park Academy

- Built the department's pupil-progress tracker in Excel; presented results to governors each term
- Head of Year 9 (2023 - 2026)

SKILLS
