Sofia Marin

Maths graduate, analytics intern

Leeds · sofia.marin@example.com · 07700 900519

PROFILE

Maths graduate who has spent six months as an analytics intern at an online retailer. I enjoy finding the question behind the question, and I write SQL every day.

EXPERIENCE

Analytics Intern Jan 2026 - Jun 2026

Fernbrook Home (online homeware retailer)

- Wrote BigQuery SQL for weekly trading reports (joins across orders, products and GA4 data)
- Rebuilt the marketing dashboard in Looker Studio; now used in the Monday trading meeting
- Analysed a checkout A/B test in Python (pandas, statsmodels) and presented the result to the ecommerce team

SKILLS

SQL (BigQuery, PostgreSQL) | Python (pandas, matplotlib, statsmodels) | Excel (pivot tables, XLOOKUP) | Looker Studio | GA4

EDUCATION AND TRAINING

BSc Mathematics, 2:1 · University of Leeds, 2025

Dissertation: Bayesian A/B testing for small samples
